YOU'RE
HERE!

FOR THE ONE MORES

Bridge Church believes that all people matter deeply to God. We are convinced that the church does not exist to serve itself, but the world around it. Because of this our goal from the beginning was to be a church that **makes a difference**. We want to be a place that reaches those who may have given up on God and a place where people who have never been to church love to attend. Bridge Church welcomes and loves skeptics, outsiders and the marginalized. We are the kind of church where God's love for people is so compelling that followers of Jesus put aside comfort and preference to see God's family keep growing.

We are encouraged in the Bible to view our resources as a way to be a blessing to others. Everything we do today is about building His church around the world. We give so that all may have an opportunity to hear of Jesus' unconditional love and for lives to be changed. Jesus gave all He had to reach the lost. Kingdom Builders is our way of following His example. At Bridge Church we are committed to preach the Gospel so **that the ONE MORES** hear the Good News of Jesus' saving love.

KINGDOM BUILDERS IS...

Global Missions

Kingdom Builders gives us the opportunity to support missionary families and invest in key missions projects around the world. Through these strategic partnerships, we are providing humanitarian aid, church planting, Bible translation, and pastoral development. We believe every person in every nation deserves to hear the Gospel.

Community Impact

At Bridge Church, you'll often hear the phrase, "Love Does." We believe the world needs to see tangible demonstrations of God's love—not just hear Christians talk. That is why we organize community outreaches, host camps and conferences, serve local school districts, and partner with other like-minded organizations who are already making a difference. Our goal is simple: to be *Living Proof of a Loving God to a Watching World*.

Church Advancement

Jesus tells us in the Gospel of Matthew that the local church is the "light of the world." We believe every culture and every community deserves a healthy, Spirit-empowered church—a place of worship adapted to the needs of the community and led by passionate leaders. Therefore, we are committed to the vision of planting churches, training pastors, and raising up the next generation of future leaders.

NEXT BRIDGE CHURCH CAMPUS – We are already looking and asking God to lead us to a community (within driving distance) where He wants us to plant a church.

CAMPUS PASTOR FOR NEW CAMPUS – As the next step of our vision to plant 5 churches in 10 years, we are praying for God to reveal the next Campus Pastors and the next community that we are called to serve.

CHURCH RESCUE – 10,000 churches in the US close each year, which means almost 200 churches close every Sunday.
